

SMART KITCHENS

Drinks Drawer

Forget top shelf: This smart drawer from **Heidi Piron Design & Cabinetry** has flexible dividers to keep your best bottles out of sight but easily accessible.

Space Saver

This multi-section pantry from **KraftMaid** has shallow on-door storage and internal swing racks so everything is visible at once.

Cord Corral

For the tech you're not constantly attached to, a docking drawer from **Rev-A-Shelf** through Home Depot keeps countertop outlets open for appliances.

Tucked Away

Michael Fullen Design Group created an appliance garage with the added convenience of a sliding base for grab-and-go morning toast.

Keep It Open!

These secret storage solutions are all about streamlining your daily routine—and are slick enough to show off.

Cupcake Catchall

A custom baking drawer for everything from sprinkles to measuring cups was designed by Karen Williams for her **St. Charles Collection** cabinetry line.

Prep Station

Italian cabinetry brand **Scavolini**'s new Mia collection includes a multifunction cabinet with a built-in chopping board, shallow knife drawer, and waste bin.

No-Fuss Add-Ons

A new line of easy to drop in (or pop in) kitchen storage solutions from **Neat Method**, like this acacia wood turntable, makes staying organized a cinch.

Hide-and-Seek

A secret sliding wall in a **Christopher Peacock Cabinetry** kitchen keeps spices organized and handy during dinner prep.
